

THE APARTMENTS *at Aldersgate and Brandenburg*

# Laurel

## 2 Bedroom / 1 Bath

800 square feet heated

The Laurel, like the Heather, has a living and dining room combination; however, the living area in the Laurel is significantly larger. The kitchen is small, yet convenient, and includes a pass-through to the

dining area. The Laurel boasts of two bedrooms. Since Twin Lakes offers guest housing on campus, residents often choose to use the extra bedroom as a study.
